

LITCHFIELD ATHLETIC CLUB

has a special invitation to our existing members...

FREE Referral Membership!

Yes, FREE membership to our existing members!

Here's how it works... Give a couple of friends a **Two-Week Trial Membership Pass** to come work out. Each pass you receive will be coded with your last name to track your results. **For each referral** you bring to LAC that joins for 1 year – either EFT or Prepaid Annual – you get **1 FREE month** added to your membership!

The more referrals you bring in that sign up, the more free membership you'll receive. Watch for your name on the LAC **"Fit for Life" Family Tree** as it grows!
